**MYSTERIA COLLECTION**

So many mysteries around us we couldn’t understand or analyze. Nobody could understand the Mona Lisa’s smile or the black hole in the space.

Nobody could solve the mystery behind her beauty or his passion.

Him and her folded their mystery in a bottle and released it to the world to keep it vague and they named it Mysteria.

---

**THE FRAGRANCE**

Mysteria Women Fragrance carries all her secrets all her tricks and all her moves. If you want to know her, you have to understand Mysteria Women Fragrance first, which you can’t! All you can do is to enjoy the atmosphere.

The attractive purple bottle with the elegant cap is only a small introduction to the mysterious drawings on it.

Mysteria scent is a floral woody fragrance that presents a cocktail of sweet and citrus fruity note mixed up with a floral bouquet and settles on a strong intensive musky base.

EXTREME MUKHALAT

EXTREME COLLECTION:

A common word used in the perfumery industry is Mukhalat. It is often used to describe a certain type of perfume oil.

A Mukhalat is usually a mixture of pure oils such as Dehn Al Oud, rose, musk, sandalwood, amber, etc that are combined to create a perfume oil. Hence, the final product is called Mukhalat.

THE FRAGRANCE

Extreme Mukhalat by Louis Varel is a new mixture of intensive flower oils that are formulated to dazzle and amaze those who adore the concentrated long lasting fragrances.

The elegant dark brown packaging with the silver touches is an echo of the classy fragrance that is hiding inside the bottle.

Extreme Mukhalat fragrance is an oriental spicy fragrance that contains a mixture of bergamot, iris, vanilla and patchouli.

EXTREME OUD

EXTREME COLLECTION:

Oud comes from the wood of the tropical Agar (Aquilaria) tree, believed to have originated in the Assam region of India, and from there spread throughout Southeast Asia.

When the wood of this tree gets infected with a certain mold variety (Phialophora parasitica), it reacts by producing a precious, dark and fragrant resin, which is the perfume ingredient Oud (also called agarwood).

THE FRAGRANCE

Extreme Oud is a new Oud formula that is designed by Louis Varel to celebrate the Oud lovers and highlight to the perfumery world that Oud trend will never end.

The beautiful brown color, with the golden design, is a reflection of the Oud scent.

Extreme Oud fragrance is a woody amby scent that contains several intensive ingredients such as Osmanthus, Oud, geranium, cistus to add the excitement to the formula and patchouli.

REFLEX COLLECTION

For Oudh lovers, a special fragrance was created with a special scent. It’s for him and her, it’s the only scent that gathered them in a romantic pleasant atmosphere.

Loving, caring and adoring became their natural reflex when they are together and when they wear the fragrance “Reflex” they become one person in two bodies.

THE FRAGRANCE

The square shaped bottle with the golden logo is a representation of their characters, very bold yet very simple and honest.

The fragrance is a woody oriental scent that starts with bergamot, lemon, cinnamon and pepper. Mid notes go a bit softer with rose, clove bud, geranium, patchouli, sandalwood and whitewood. Finally the fragrance lands on amber and musk.
